

TimberTech Earthwood™ Plank

Authentic Hardwood Look

7" x 10"

TimberTech's Earthwood Plank provides the attractive look of a hardwood deck. Available in a warm, rich Tropical Walnut color, this plank has the exotic flair needed to complete the ultimate outdoor experience.

Features and Benefits

- The deep look of tropical hardwoods with less maintenance
- Square-edged plank provides well-defined deck lines
- No pre-drilling is required, which makes it easier to install than tropical hardwoods
- Spans 16" on-center

Earthwood Fascia

Complement the deck with Earthwood Fascia and TimberTech's RadianceRail™ System.

Tropical Walnut

Actual dimensions 1" x 5-7/16"

Earthwood Fascia

Time and exposure enhance the natural color of the deck. The weathering shown is typical, but color may vary depending on climate.
